

A Letter From the Dean

Dear AGO Colleagues,

I'm sure you are still recuperating from the month of December, but the celebrations are not over! On Monday, January 9, we will have what has become a traditional Epiphany Soup Supper at the home of our "hostess with the mostest" Linda Fulton, who will make three kinds of soup. Her address is 957 Songbird Lane, Holland, 49423. The time is 6 p.m. We are each to bring an appetizer, salad, or dessert. Please let Linda know if you are coming so she can be prepared with enough chairs.

As if food isn't enticement enough, Jerry Jelsema has agreed to tell us about his trip to see organs in France this past summer.

Hopefully we have already had our bad storm of the year, over Christmas, so we will count on good weather for our January meeting. If you haven't yet been to an AGO meeting, we encourage you to come.

Thanks to Jane Bosko and Rhonda Edgington for the nice program they put together in November. It was such a nice variety of instruments with organ.

It isn't too soon to put the Great Lakes Regional AGO Convention on your calendar. It is just a stone's throw away on the north side of Chicago. The North Shore Chapter is very excited about it. You can get the details on their website, which is nsago2023.org. Our chapter will be making a financial contribution to their effort. The dates are June 25-28. Perhaps we can carpool. Jerry, we are going to your home territory.

With New Year's greetings,

Julia Colingsworth

New Membership Directory Coming

I normally send out a new membership directory in the fall, so I'm overdue. I compose it from information extracted from the AGO OnCard database. Please look at your listing in OnCard, check it for accuracy, and make any necessary updates. Don't forget to review the sections containing your employment information. Please do this by January 10, 2023, and I'll email everyone the new directory after that.
